Informations regarding the COVID-19 situation

COVID-19 has really impacted the tourism sector.

In Spain, hotels are forced to limit their activities to the minimum and, any workers are currently in lay-off.

It is the main reason why hotels cannot accept trainees at the moment. Therefore, the national law states that **if any enterprise has at least one employee on a lay-off, they CANNOT accept any trainees.**

Currently the decreasing number of positives cases are the vaccination policies let us hoping for a better Summer season in 2021.

Despite this difficult situation, we are not stopping to look for the best offers for your students!

... and we are ready to provide the solution!

Considering the situation, our attention is focused on **outdoors activities and small hotels.**

Here are listed potential hosting companies we are currently operating with.

EXPERIENCE MALLORCA

Experience Mallorca provides adventurous excursions for tourists led by professional staff.

Excursions can be half-day trips for beginners or more complex and advanced sport activities all over Mallorca.

The offers are many, such as:
adventure trekking,
canyoning, cliff jumping,
climbing, scuba diving and so on.

EXPLORA MALLORCA

Explora Mallorca is engaged in alternative tourism and is based on a passion for nature.

It offers activities which are surrounded by a unique environment and provides new experiences, like coasteering, diving, canyoning, orientation, climbing, caving, and so on.

CLUB HIPICO
VERACRUZ

Club Hipico Veracruz provides horse riding excursions as well as classes.

Their instructors are experienced and skilled and their methodology is adapted to each client.

BONAONA
SURF
SCHOOL

Bonaona provides water-sports activities and excursions like surfing, stand up paddle, and windsurfing.

Moreover it rents equipment, for both, long and short term. Bonaona is also a school which provides tailored lessons to different levels and ages according to the clients. During the holidays, the school also arranges summer camps for children.

**CYCLING
FRIENDLY**

The company is a cycling-specialized travel agency that provides different services for groups of tourists, such as : accomodation, bike rental, workshops, guided tours, physiotherapy, and more.

The headquarter is based at Palma de Mallorca but the company still offers cycling-routes all around the island.

**CYCLING
FRIENDLY**

VILLA SON BONNET

Villa Son Bonet is a recently renovated residence for students, workers and long-term travelers.

The residence is specialised to host people working and studying in the field aircraft sector, like pilots, stewardess...

For trainees, it is possible to experience all the tasks related to the hotel services, as well as the possibility to work in the marketing sector for reinforcing their promotional appeal abroad.

HOTEL CAN POCOVI

The hotel is located in Sant Llorenç des Cardassar, in the rural area of Mallorca.

Surrounded by caves and mountains, the Boutique Hotel Can Pocovi offers a unique experience to its clients, where you can find calm, warmth and authenticity, typical of Mallorca.

BOOGALOO HOTEL

The Boogaloo Hotel is 5km from Palma airport, 12km from Palma town centre and only 500 meters from the well-known entertainment area of El Arenal which is full of bars, restaurants and night clubs etc.

Also, it is possible for trainees to experience all the tasks related to the hotel services, as well as the possibility to work in the marketing sector for reinforcing their promotional appeal abroad.

BoogalooHotel

SEGWAY
PALMA

The segway is a new way to experience the city-tour. It is becoming famous in the main European cities.

Segway Palma is located in the very city-center and close to the Cathedral. It provides Palma city tours but also in Playa de Palma.

Other services are the renting of bikes and kick-scooters, and birthday celebration tours.
